Great thank you! I'm still new, and I don't have access to that site yet, so I had to check with finance. They sent me your receipt, so I'm sending you the data now!

It was today, 4/14/21 via credit card (had to do 3 different purchases with the \$2,500 limit, it was 2 x \$2,500 and one for the remaining \$378.12).

Hi [REDACTED]

We can go into the system and check. I just need to know the date you deposited and the format. (i.e. e-check, debit card, etc.)

Thanks!

Hey Lauren,

Thanks so much -- I replenished my account with \$5,378.12, I'm not quite sure what else I need to do on the website, do I need to submit a request on here? I can't find anything.

My apologies for the confusion, would love some guidance.

Appreciate your time,

Hi [REDACTED]

Per your request, I have retrieved 1,340,781 voter data history records from the 2020 Presidential Election. The cost for providing those records is \$5,378.12.

Voter data requests will incur the \$15 recording fee and cost per X number of records (\$4 per 1,000 records with voting history; \$3 per 1,000 records without voting history). <https://www.sos.state.nm.us/voting-and-elections/data-and-maps/>.

If this cost is too high and you want to alter your request let me know and I can requote you. If you are ready to make payment you can send our office a check, money order, or pay online.

Payment by credit card may be made in the following manner:

- Visit <https://portal.sos.state.nm.us/BFS/online/>
- Create a user account and log in
- Click the button "Replenish my Account"
- Select the option to pay with "desired amount"
- Enter and submit the payment information

If you pay online please notify me when you have submitted the online credit card payment and provide the Filer ID from your pre-paid account. Then I will apply that payment to your request and send you the data! If you pay by mail, then let me know and I'll watch for your payment and once received I'll send your data.

Please call me at 505-231-5645 if you require further assistance.

Thanks,

Hi [REDACTED]

I'll be taking care of your voter data request. First to clarify, which years did you want? Once I get this information, I'll be able to quote you on the cost of the records.

Thanks!
